

THE SCIENCE OF
**SECURITY
& DURABILITY**

MY CHOICE PROMOTION

DATACARD® CD800™
CARD PRINTER WITH INLINE
LAMINATION MODULE

TAKE ADVANTAGE OF SPECIAL SAVINGS ON:

A NEW DATACARD® CD800™ CARD
PRINTER WITH LAMINATION

CUSTOM OR GENERIC TACTILE
IMPRESSION FEATURE

NEW OR EXISTING CUSTOM
HOLOGRAPHIC LAMINATES

The new features in the CD800 Card Printer with inline lamination can greatly improve the security and appeal of your card program. Use the new tactile impression feature as a cost effective security measure and as a unique way to personalize your cards. Partner that with an updated or new holographic laminate or overlay and increase the confidence in your program even more!
